free standing seat**

Highlands Seat

**2000 mm recycled plastic
ground anchored seat**

Atholl seat

**1500 mm & 2000 mm
Available with black
or brown boards**

Manufactured from 100% EU high quality recycled mixed waste plastics from post industrial and consumer use and, where necessary, selected process additives.

Production process: The polymers are blended and fed under controlled temperatures and pressures into moulds.

Finish: The surface is knot free, evenly coloured and has a textured finish.

Made from 100% UK recycled plastic | Environmentally responsible | 100% recyclable.
