Bespoke Planters

We are able to offer planters constructed to your requirements from the highest quality recycled plastic. Available in brown, grey or black. Board dimensions may vary depending on colour and minimum order quantities apply dependent on size.

Kacey also supply furniture, decking, fencing, permeable paving systems and many other products from recycled plastic. Visit our website for more information.

Manufactured from 100% EU high quality recycled mixed waste plastics from post industrial and consumer use and, where necessary, selected process additives.

Production process: The polymers are blended and fed under controlled temperatures and pressures into moulds.

Finish: The surface is knot free, evenly coloured and has a textured finish.

Made from 100% UK recycled plastic | Environmentally responsible | 100% recyclable.
